

Revised: November 16, 2021

Mountain Springs Community Church's present COVID-19 protocol.

Mountain Springs Community Church is committed to the safety of everyone who enters its facilities. In response to the ongoing COVID-19 pandemic, Mountain Springs Community Church has taken the following steps.

- Our facilities will be thoroughly cleaned and disinfected between events.
- Air purifiers have been distributed throughout the building.
- Masks and hand sanitizer are available for all guests. Guests are asked to use their own judgement about their use of masks, sanitizers, and social distancing.
- Since COVID-19 circumstances and infection rates may change, MSCC's guidelines may change as conditions warrant.
