If we are unable to host an event due to weather conditions or national disaster, deposits cannot be refunded. Refunds of final balance payments will be made only if properties and/or locations refund TGM for these costs.

If an event is hosted as scheduled and your group cancels or reduces numbers due to weather conditions or other concerns, all payments are non-refundable.

If a registrant or immediate family member has an emergency prior to or during the SERVE experience, TGM will do what we can to refund a significant portion of the money.
